Northshore
Christian Grammar School

Message from the Principal

Northshore's uniform and colour scheme is unmistakable. Not only are our registered tartan and distinctive yellow and grey hoops elegant, they also clearly identify us in the community.

Our identity is important to us. We want the community to know that 'those well-mannered students are from Northshore.' When people see our students wearing the uniform well, they will make connections to our character.

Managing and caring for our appearance demonstrates a level of responsibility and shows how organised and respectful we are.

We all want our children to have these values. Wearing our uniform is just one of many ways that Northshore can help to instil these values.

The uniform also has a significant role to play in the school culture and wellbeing of our students. The word 'uniform' comes from the Latin word *uniformis* meaning 'the same shape and form.'

The uniform contributes to our students' sense of belonging. It is a great leveller. There is no room for the hierarchy of status that often perpetuates with brands and the influence of fashion.

Our Expectations

The expectation we have for our students is that they will honour themselves and the school by wearing their uniform well.

Students are required to wear their Northshore uniform as described in this guide whenever they are in public, this includes arriving at and departing from the Northshore campus. It also includes the wearing of ties and blazers in the winter months. The formal uniform is required for photo days and official functions.

Parents are asked to ensure the uniform is clean and presentable for students to wear and to communicate with staff if accommodations need to be made to the uniform. This may include times when students have sustained personal injuries or circumstances that prevent the normal wearing of the uniform.

Most uniform items are available from the Perm-A-Pleat uniform retail store. If you have any doubts about the style or colour of items purchased from third party providers, please check with our administration team before making your purchases.

Finally, my hope is that you look at the next few pages and share the same sort of pride that I have when I start each day at Northshore.

Blessings,
Stuart Chisholm
Principal

Preamble

Wearing a uniform is a badge of pride. It creates an identity for the school, creates uniformity and subtly positions students in a learning mindset. We want students to feel comfortable and have a sense of belonging when they wear their uniform.

In designing the uniform for Northshore Christian Grammar School, attention was paid to:

Affordability and Functionality: one single uniform, which can be tailored to both summer and winter offering greater flexibility and choice, comfortable to move in and suited to all figure types.

Style: smart and distinctive uniform, paying homage to traditional Grammar schools using a uniquely created tartan

Durability: easy to wash, dirt-resistant colours and lasting materials.

The decision to include yellow accents in the Northshore Christian Grammar School uniform was purposeful, as yellow is the colour of the mind and the intellect. As the lightest hue of the spectrum, yellow is uplifting and illuminating, offering hope, happiness, and enthusiasm for life.

Scope

This policy applies to all students of Northshore Christian Grammar School from Kindergarten to Year 12. The Uniform is compulsory for all students as defined in this policy.

Staff of the school are required to apply the Uniform Policy in a fair and consistent manner.

Rationale

The intention of this Policy is to set clear and fair guidelines that enable students to maintain a high standard of appearance and to be comfortable in a practical, well designed uniform.

At Northshore, our uniform forms a significant part of our identity. We would like to be known as being respectful and organised and presentation plays an important part in formulating this opinion from the outset. With this said, wearing the official school uniform correctly (formal and sports' uniforms) is an expectation.

We celebrate the diversity and uniqueness of all Northshore students and wish to establish an environment that removes competitive dress and fashion as an issue that detracts from the academic and relational focus of the School.
